

**U.S. Embassy Bahrain**  
**Demonstration Notice 4 – January 24, 2013**

Spontaneous demonstrations take place in Bahrain from time to time in response to world events or local developments. United States citizens should keep current with media coverage of local events and be aware of their surroundings at all times. **If you encounter a large public gathering or demonstration, depart the vicinity immediately.**

**On Thursday, January the 24<sup>th</sup>, at 3:30 pm, a demonstration has been planned at Al Moqsha on Budaiya Highway. Expect possible road closures and heavy traffic. It is strongly advised you avoid this area if possible. (Yellow Circle)**

**On Thursday, January the 24<sup>th</sup> through the 26<sup>th</sup>, multiple unauthorized demonstrations are planned in villages (off-limit travel areas to the U.S. Embassy community see map) throughout Bahrain likely leading to an increased police presence and additional checkpoints.**

**On Friday, January the 25<sup>th</sup>, at approximately 3:30 pm, opposition societies have called for a march under the slogan of “Democracy is the Only Solution,” from Bab Al Bahrain (Souq Area) in the center of Manama to the Ras Rumman Mosque (Diplomatic Area). Expect possible road closures and heavy traffic. It is strongly advised you avoid this area if possible. (Orange Circle)**

While we are aware of the above, it is important to note that spontaneous demonstrations have also been triggered by regional events in the past; however, there have been no direct attacks on U.S. citizens in Bahrain. That said, spontaneous and at times violent anti-government demonstrations occur in some neighborhoods, particularly at night and on weekends. These demonstrations have included blockades of major highways with burning debris and establishment of unofficial checkpoints. Participants have thrown rocks and Molotov cocktails and used various other homemade weapons, including isolated use of improvised explosive devices. The Ministry of Interior maintains official checkpoints in some areas and routinely uses tear gas and stun grenades along with birdshot and other crowd control measures against demonstrators. Violent clashes between security forces and demonstrators can make travel in and around Bahrain dangerous without advance warning.

Please see below for a map. Areas shaded in red are off-limits to U.S. Citizen Embassy employees and their family members. Areas shaded in blue are off-limits to U.S. Citizen Embassy employees and their family members 20:00 – 04:00.

We remind U.S. citizens that even demonstrations intended to be peaceful can turn confrontational and possibly escalate into violence. U.S. citizens are therefore urged to avoid the areas of demonstrations if possible, and to exercise caution if within the vicinity of any demonstrations.
